The screenshot shows a mobile application interface for configuring an email account. The title bar at the top is teal and contains a back arrow and the text 'Posta in arrivo'. Below the title bar, there are several input fields: 'Indirizzo e-mail', 'Nome utente', 'Password', 'Server IMAP', 'Tipo protezione', and 'Porta'. The 'Server IMAP' field is highlighted with a red rectangular border. At the bottom of the screen, there is a button labeled 'Fatto'.

Scegliere **Fatto**.

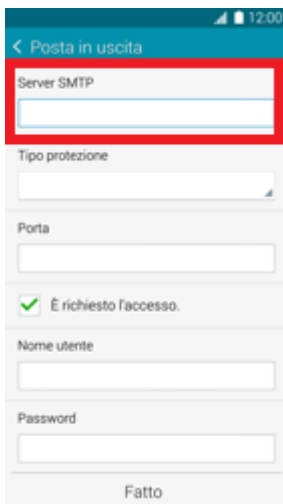

This screenshot shows the same email configuration screen as above, but with a virtual keyboard open at the bottom. The 'Fatto' button is now highlighted with a red rectangular border. The keyboard is a standard QWERTY layout with various function keys at the bottom.

Scorrere verso il basso.

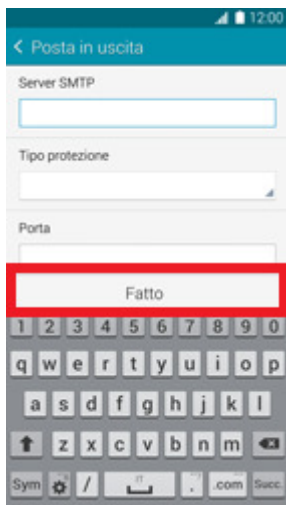

Scegliere **Posta in uscita**.

Sotto **Server SMTP**, immettere **smtp.ticino.com**.

Scegliere **Fatto**.

L'account e-mail è stato configurato ed è pronto per l'uso.
